Certificate of Appreciation

This Certificate of Appreciation is hereby awarded to Dr. Sankar Basu, Ph.D., Assistant Professor, Asutosh College (affiliated to University of Calcutta, Kolkata, India) Department of Microbiology & External Scientific Collaborator (adjunct) at the 3BIO group, ULB, Brussels, Belgium (Core Area: Computational Biophysics and Bioinformatics), who presented his research as part of the IBAB Research Seminar Series on Wednesday, July 06, 2022, at 4 pm, in the IBAB auditorium, Institute of Bioinformatics and Applied Biotechnology, Bengaluru, Karnataka, India. His seminar was titled “Transient salt-bridge dynamics – a key to trigger (avalanche type) protein disorder transitions and its extensions into latest COVID-research”.

With regards,

Prof. Hosahalli S. Subramanya
Director
Institute of Bioinformatics and Applied Biotechnology
Bengaluru, Karnataka, India
